

WILLOW-OZON

Principal's Message

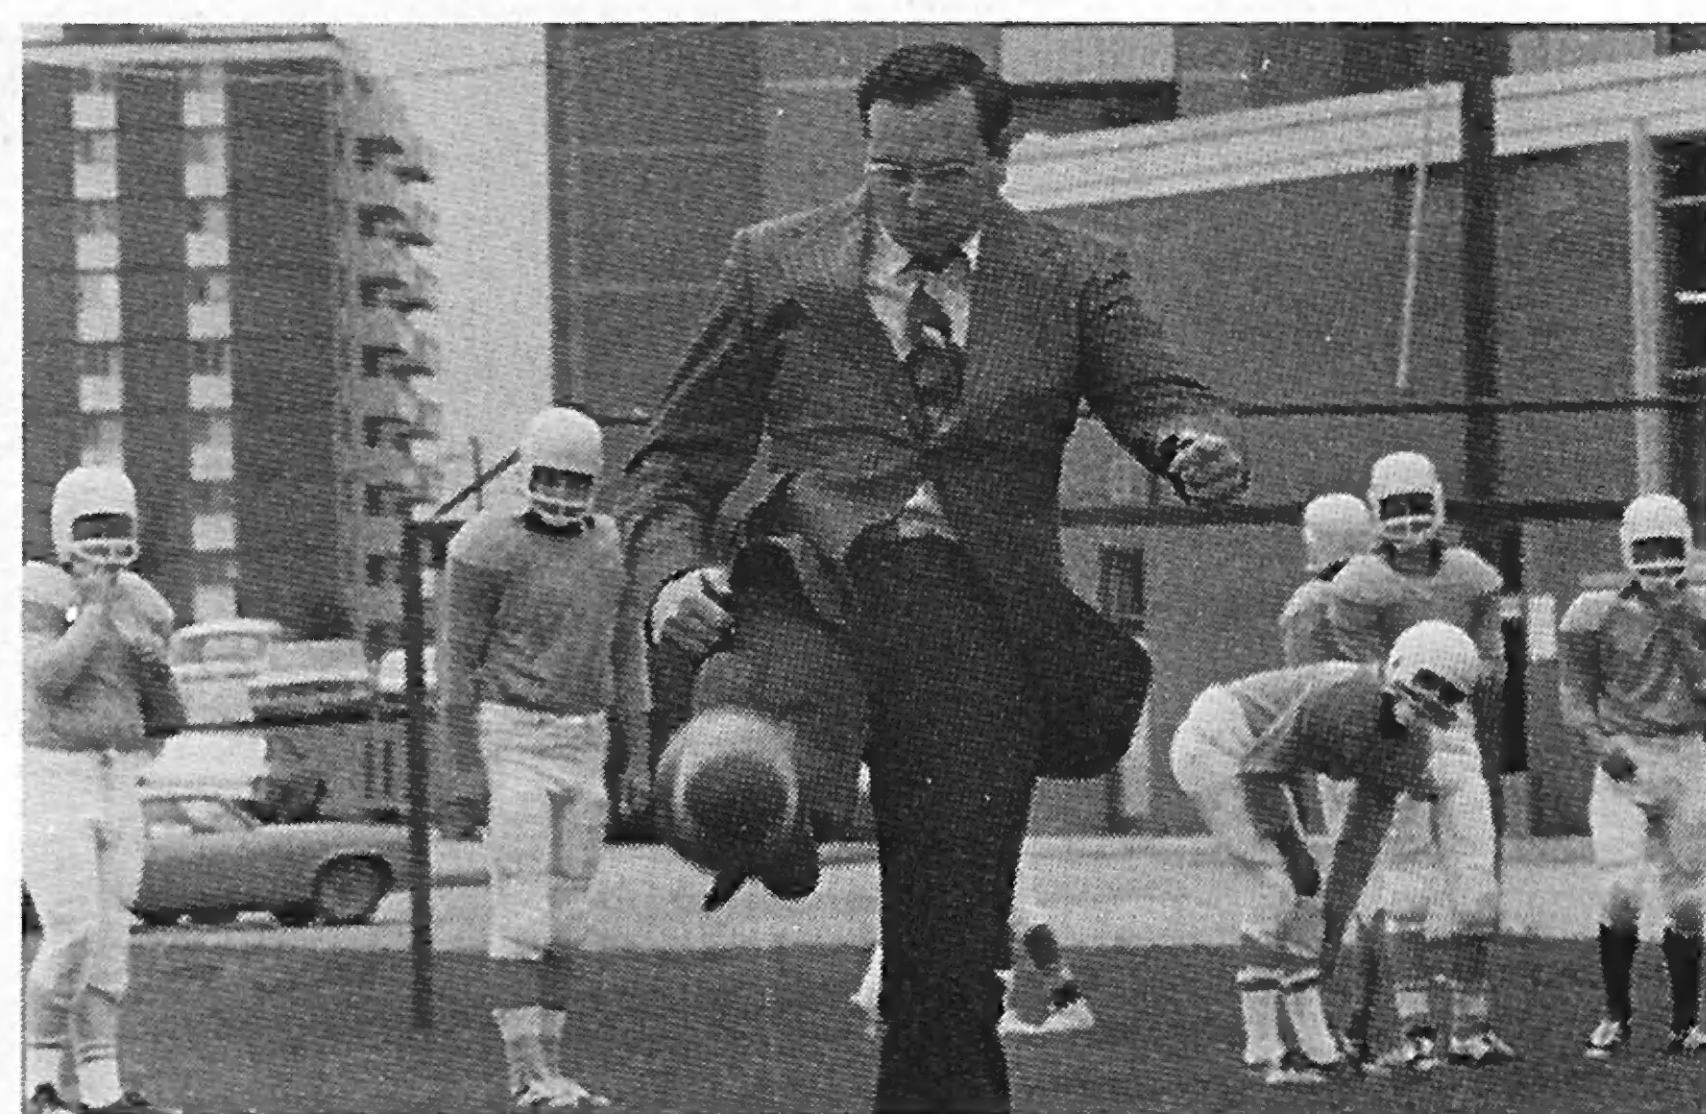

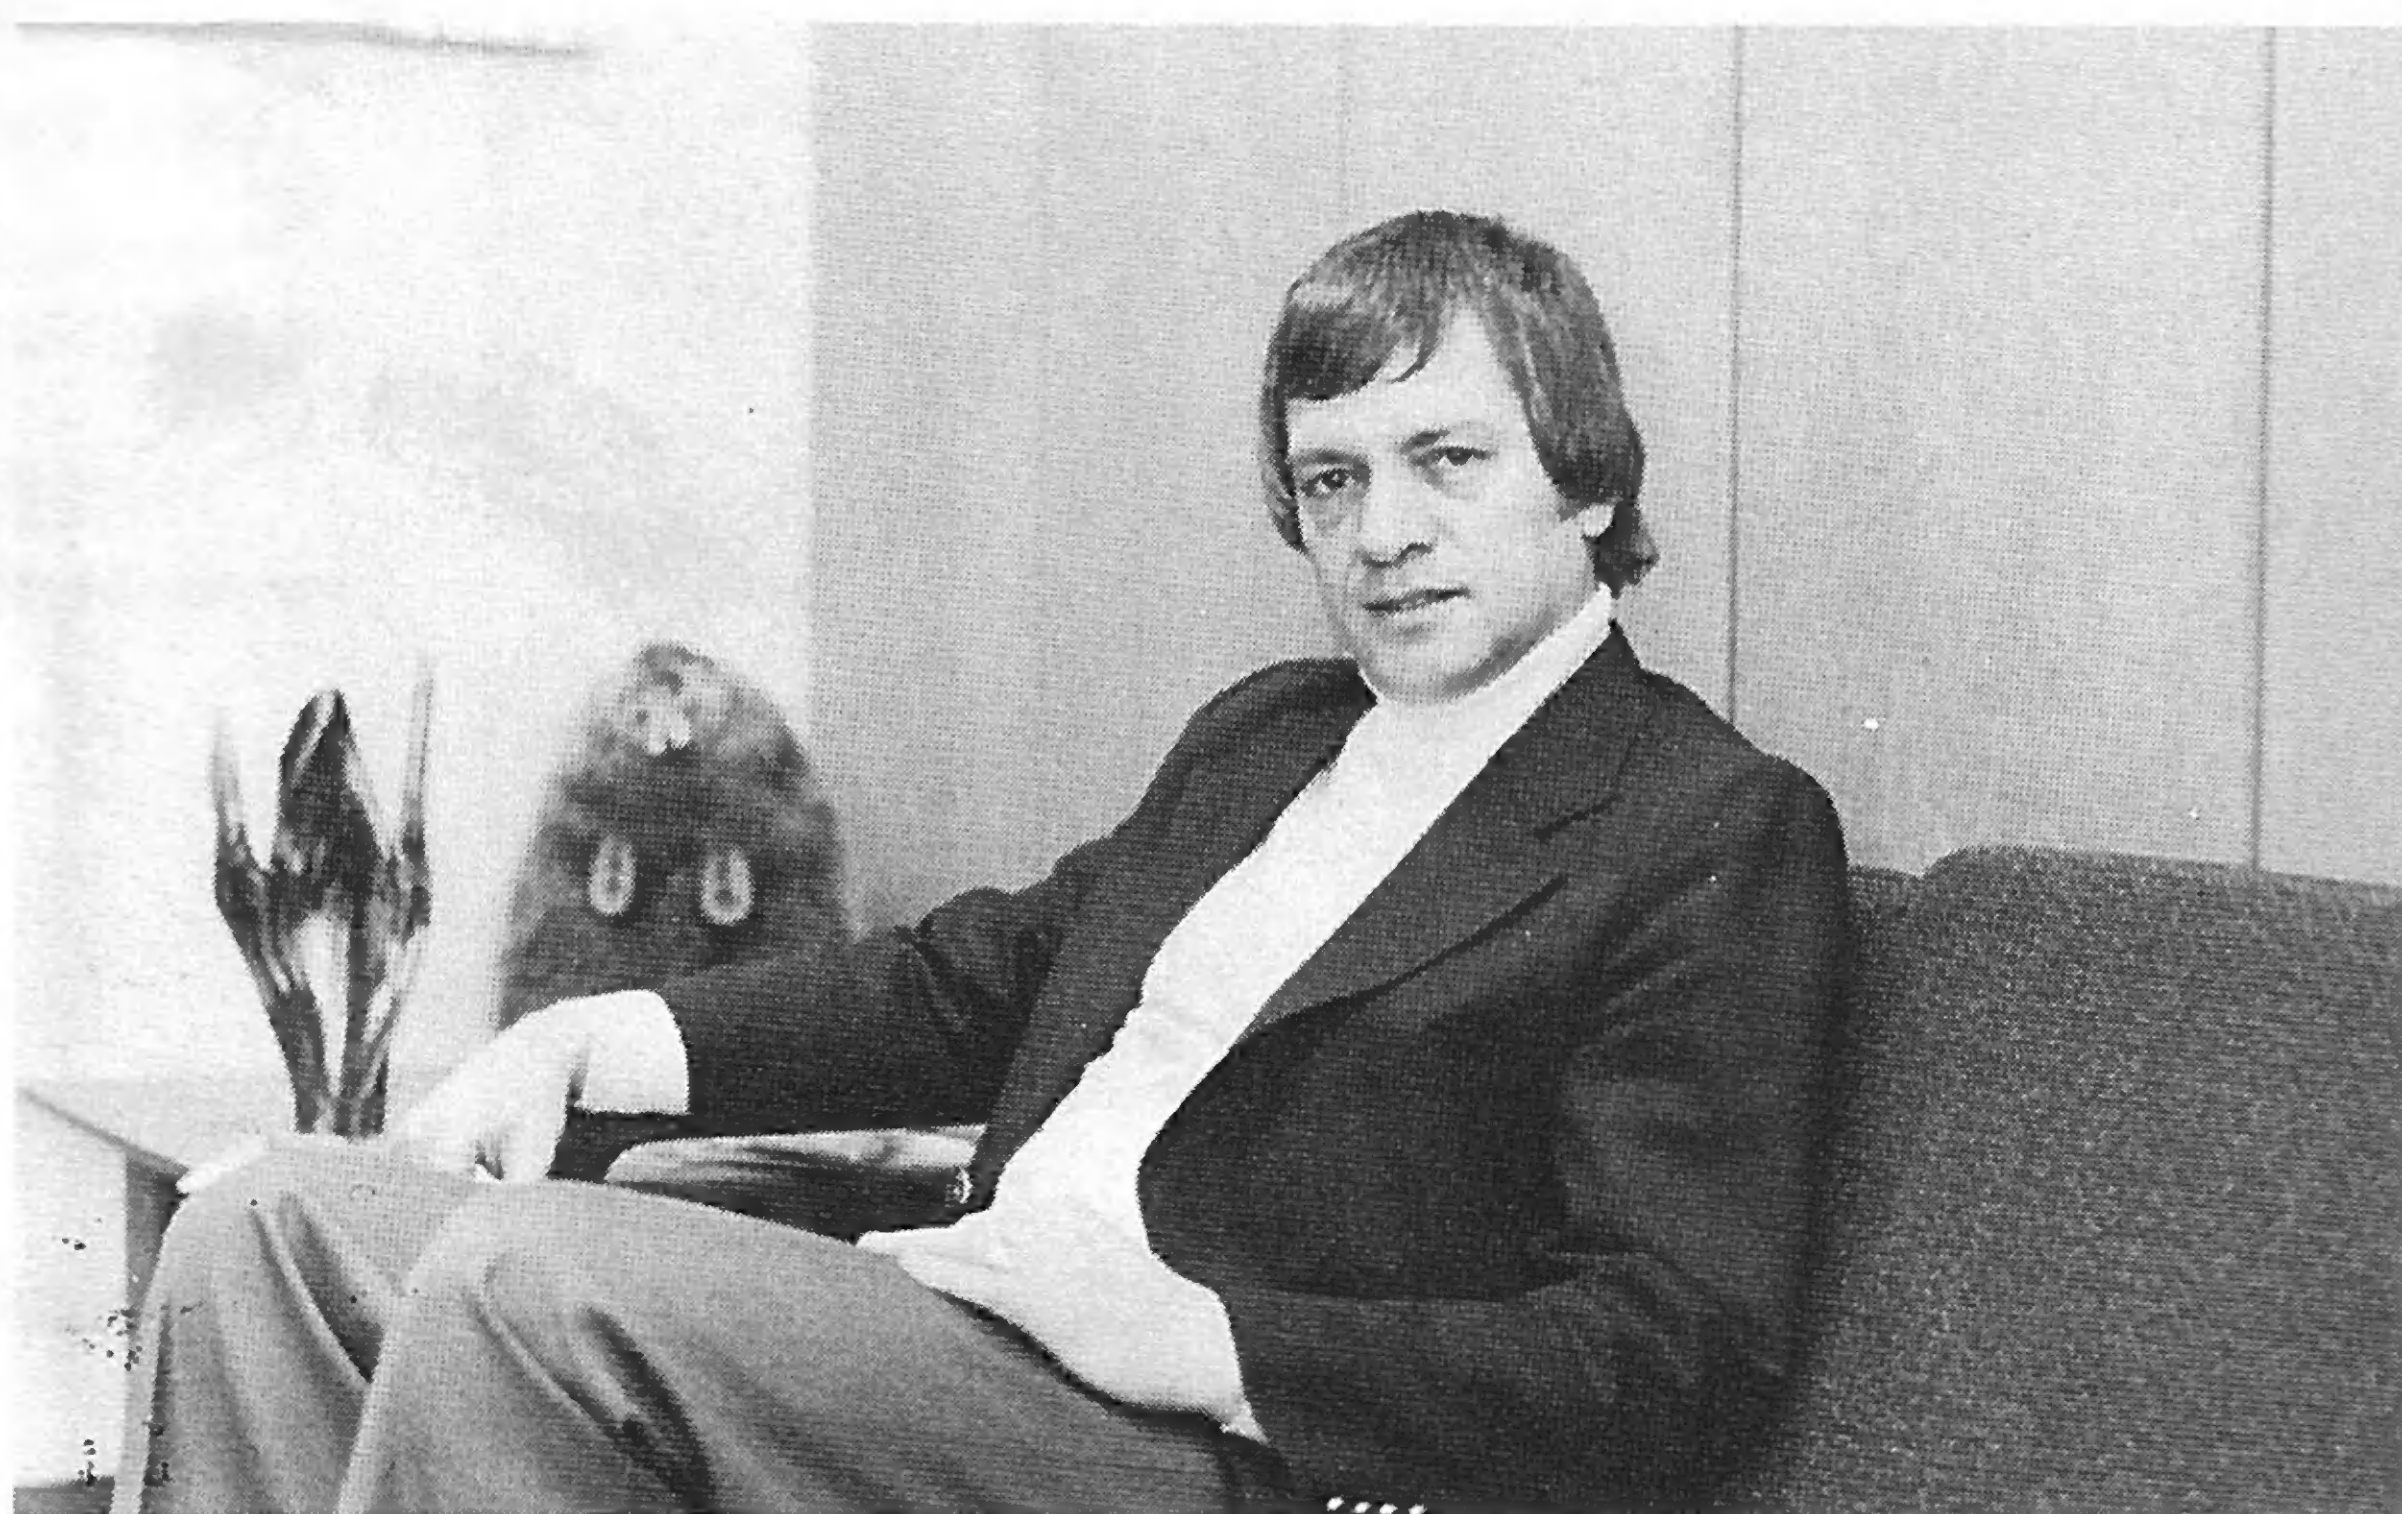

Our yearbook is a pictorial summary of events at Oakdale during 1975 - 1976 and it is a great pleasure for me to be associated with it and the other activities during my first year as Principal of the school.

I must say I am most impressed with the energy of both the staff and the students as they work together in the great number of activities in the school community.

I would like to share one thought with everyone. If we as individuals each conduct ourselves in a manner in which we can be proud, we will have a school in which we can justifiably and collectively be proud, and to which the community can look with pride.

For a great many students this will be the final year at Oakdale. Let me take this opportunity to thank you for your contribution to this school and to wish you every success as you pursue your goals in further education, in careers, and in life in general.

Don J. Allen

Mr. Allen in action!

Vice-Principal's Message

If I do not love my neighbour whom I know, how can I love the human race, which is but an abstraction? If I have not learned to work with a few people, how can I be effective with many?

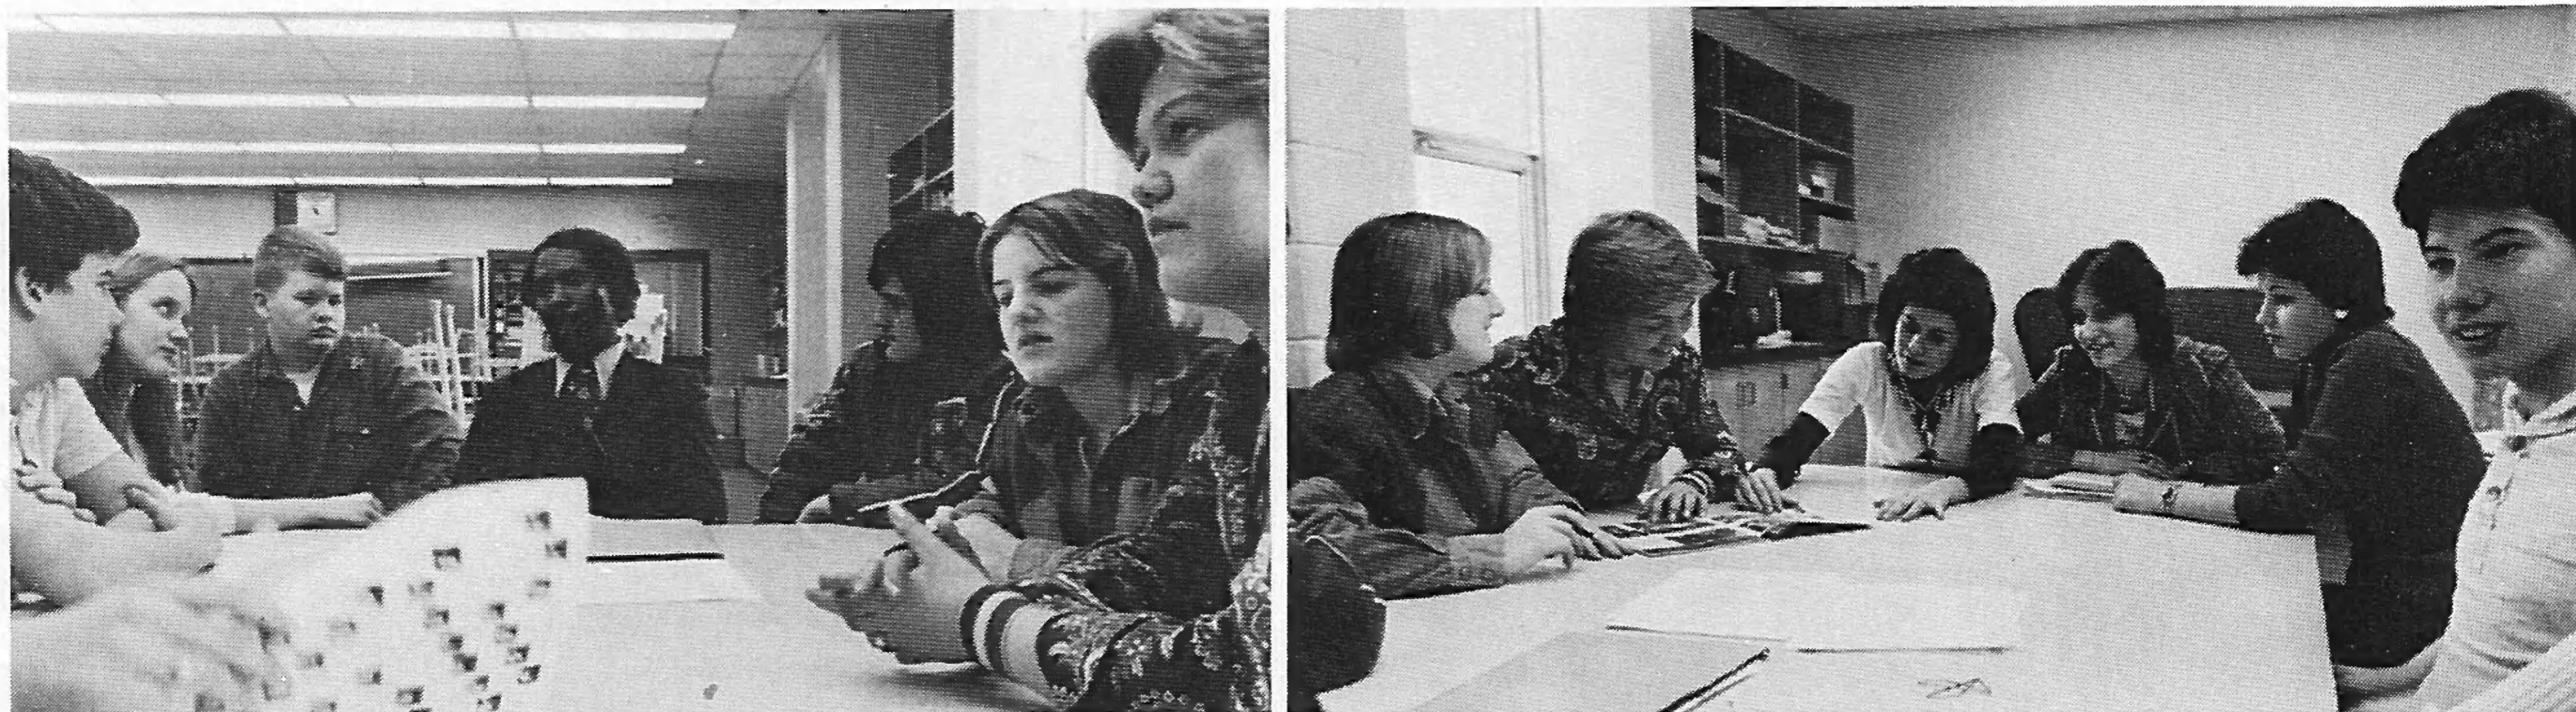

Arthur E. Morgan

For the past three years Oakdale has been your community. Daily life centered around work, study and socializing with your friends. Often you have played with them and with them you also sensed that discipline and freedom were closely inter-related. We, the staff of Oakdale, have attempted to provide an atmosphere for a healthy community with opportunities for students to help one another.

In all cases we have stressed co-operation as the integral part of our Oakdale community. The emphasis was always one of caring for one's neighbour. This same feeling of belonging to a great school will and should help you in your new life ahead in the new community that you will be joining very shortly. Thank you for having allowed us to share a few years of your life.

Yearbook Committee

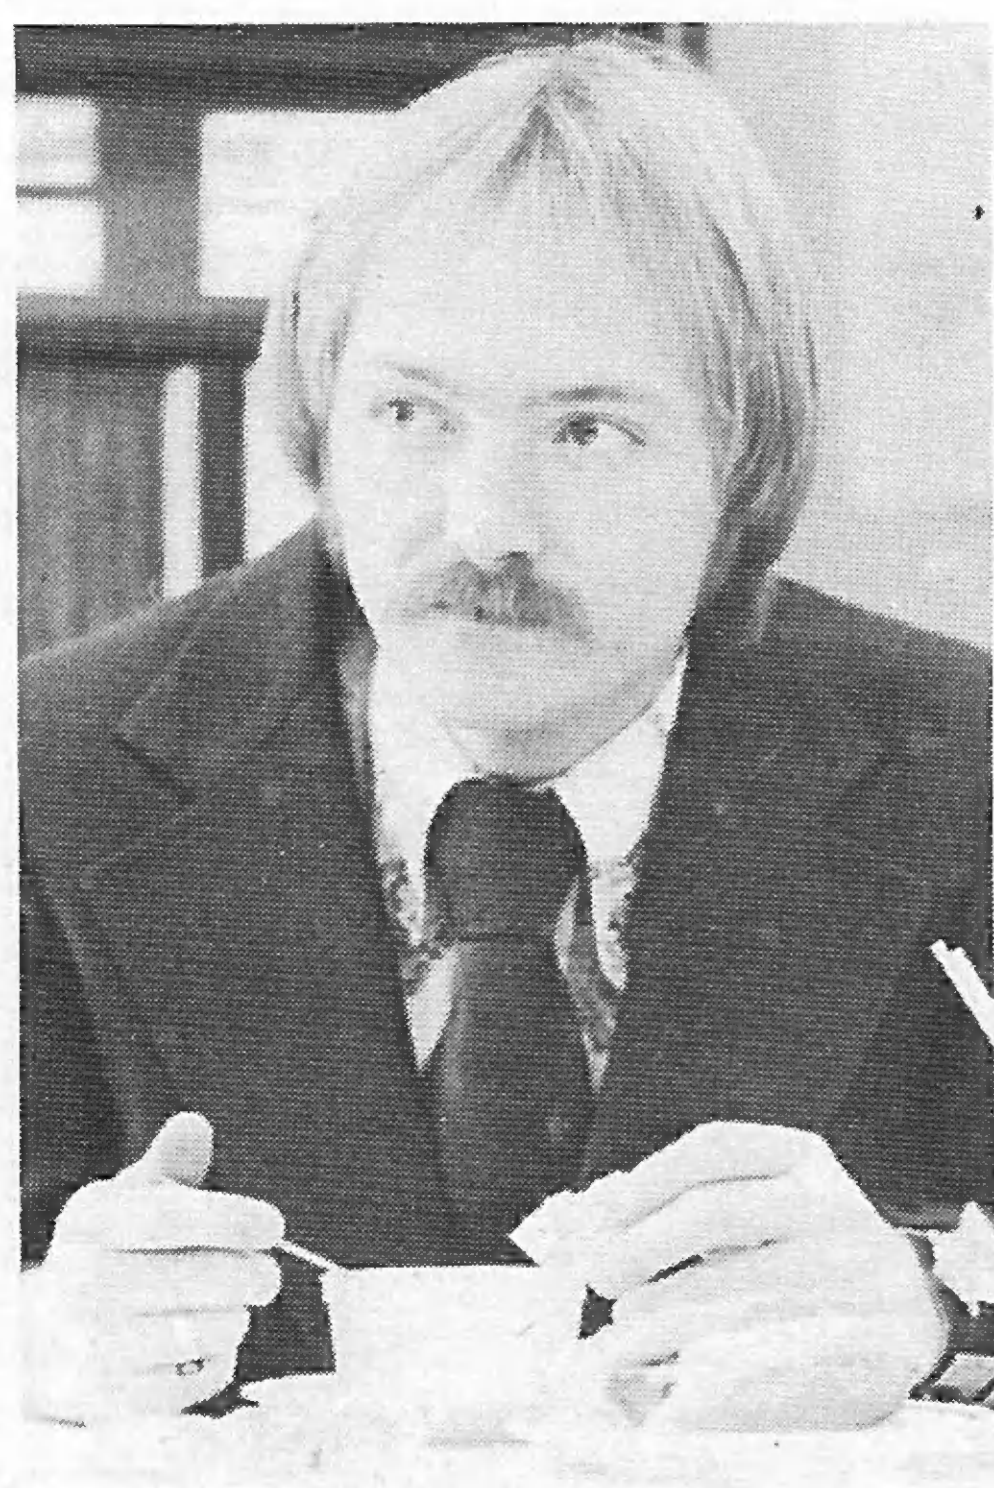

I have often thought what a melancholy world this would be without children.

Samuel Taylor Coleridge.

The pictures do not show all the members of the Yearbook Committee but they do show how serious they are about the Yearbook! This year's Yearbook Committee has no doubt given it all it takes to make this Yearbook a success! In the area of organizing the class pictures for the Yearbook, Ellen Murray and Sonja Muss played a leading role. Ellen Murray also took an active part in photography for the Yearbook. Jessica Hallett, Anna Caruana, Kathy D'Alessandro, Marisa de Ciantus, Loriana Biasiotto, Kathy Kantis, Pat Francesutto, Laura Nicholson, Mary Cascone, and Liz de Cambra assisted in the organization of the class pictures.

The following students made an important contribution in photography for the Yearbook: Chris Rumsey, David Pomeroy, Boris Shostak, Phil Narini, Raya Bohn, and Kam Petersen. Miss Simon gave the students the needed direction.

STUDENT COUNCIL'S MESSAGE

This year the Students' Council has put a lot of time and effort into our after-school activities.

We hope we have brought forth the new and better ideas for the next year to follow. One of the better happenings this year was the CHUM DISCO DANCE. Although it was a little crowded and stuffy, it turned out to be a great success.

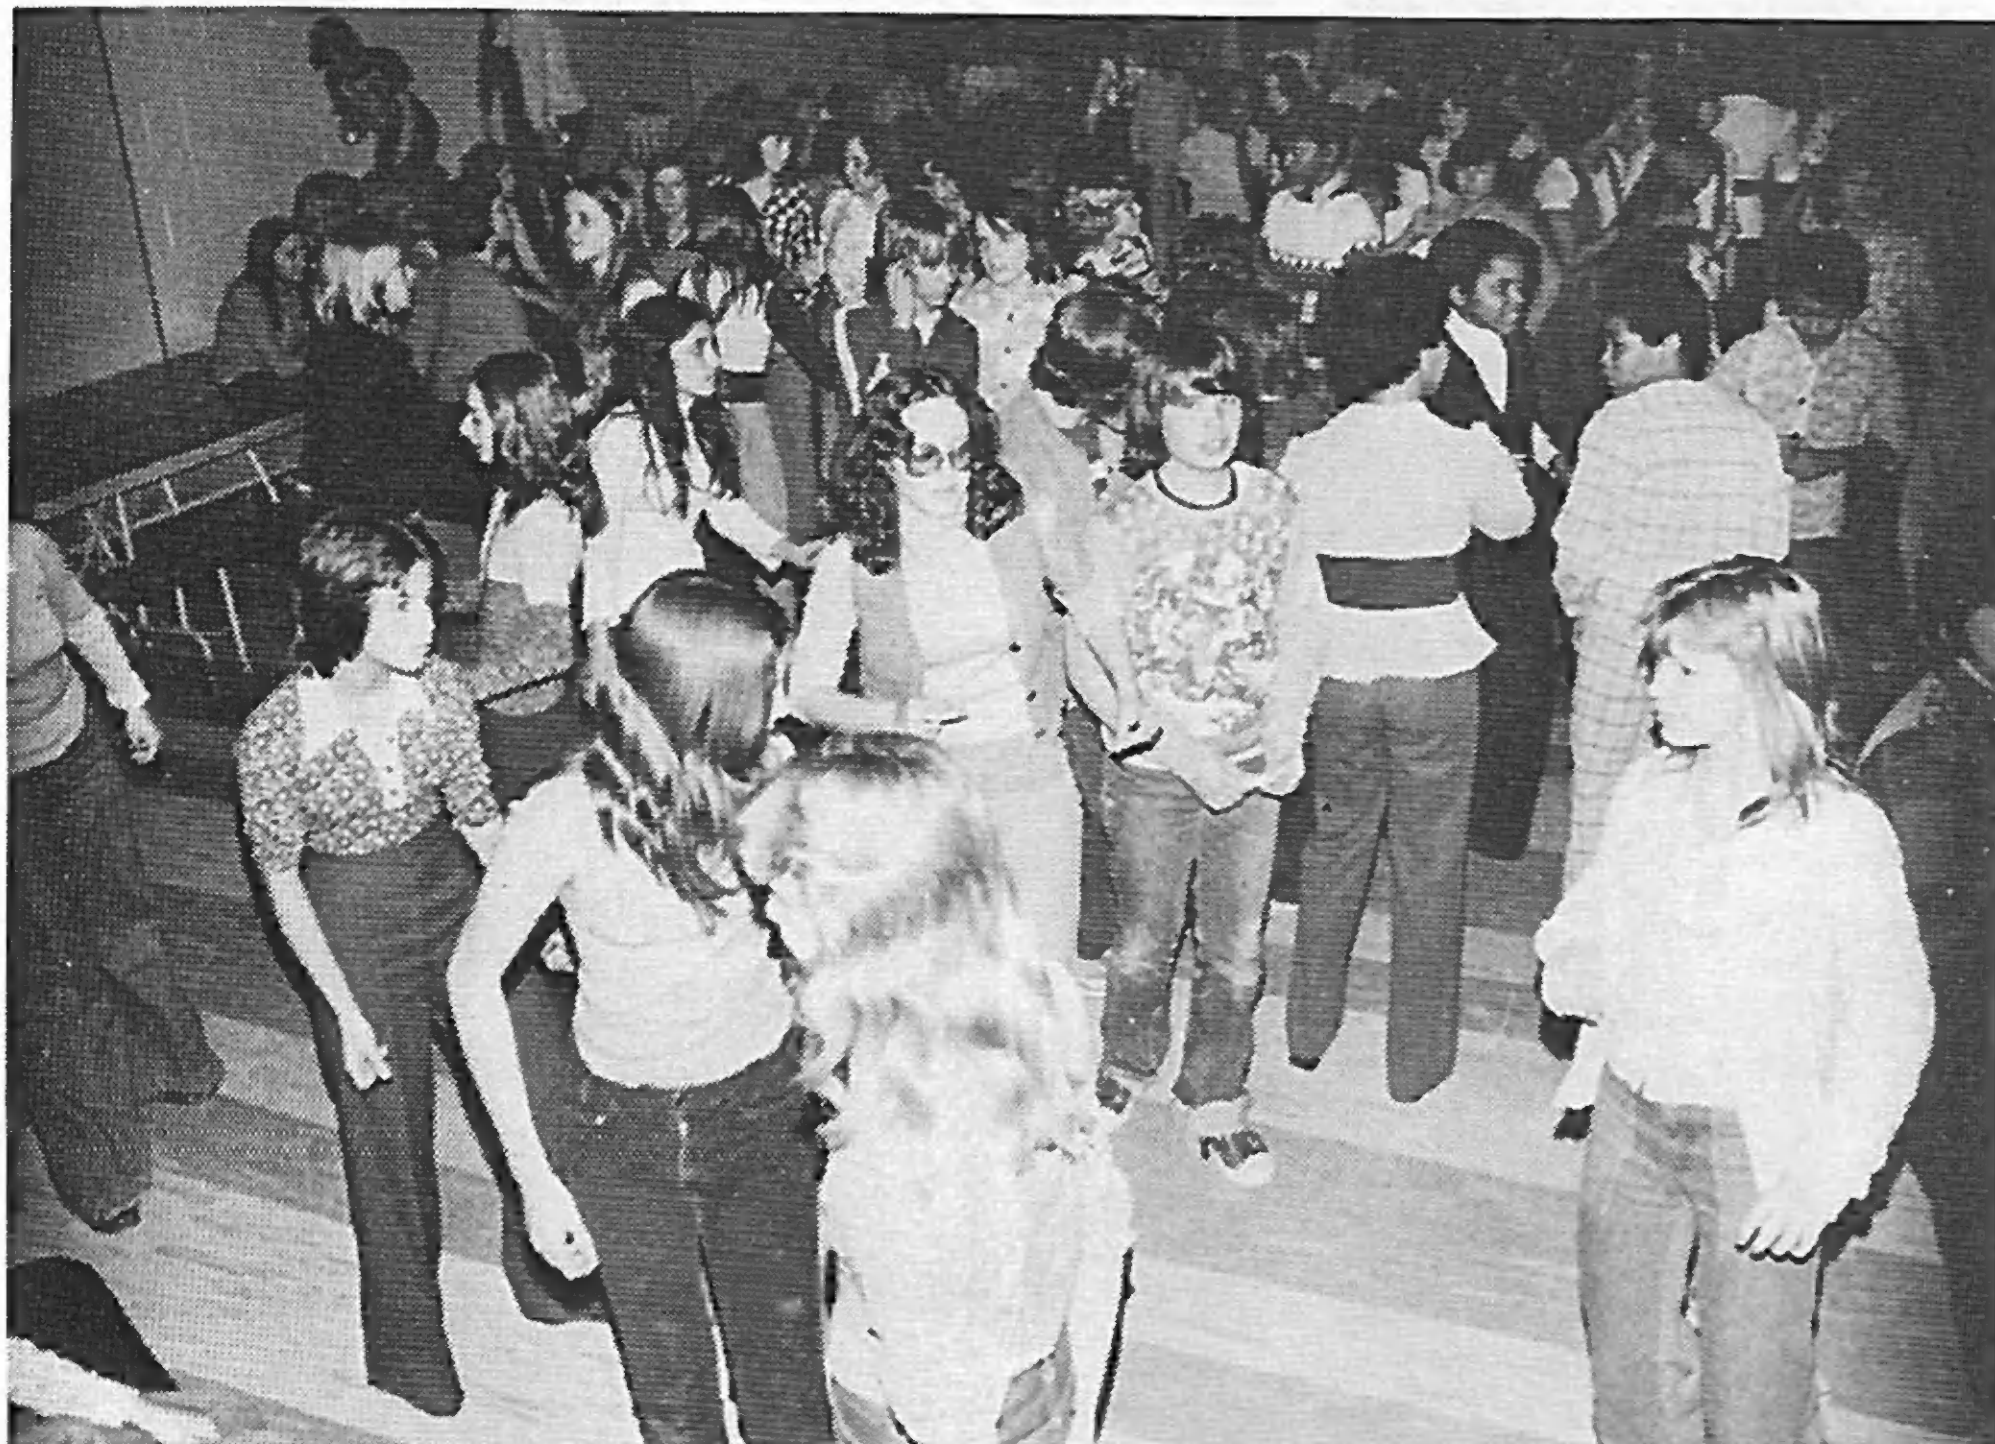

The grade nine students will have a great graduation night to look forward to and look back upon during their future years.

Special thanks to Mike Anderson for spending a great deal of his time to make our dances successful and for his O,B,S, which brightened up many mornings.

Also special thanks to Todd Bruhm, Rosie Arone, Kim Fenton, Raya Bohn, and Mr. Curran for helping out!!!

Enjoy your summer,
Your President,

Lorianna Biasiotto

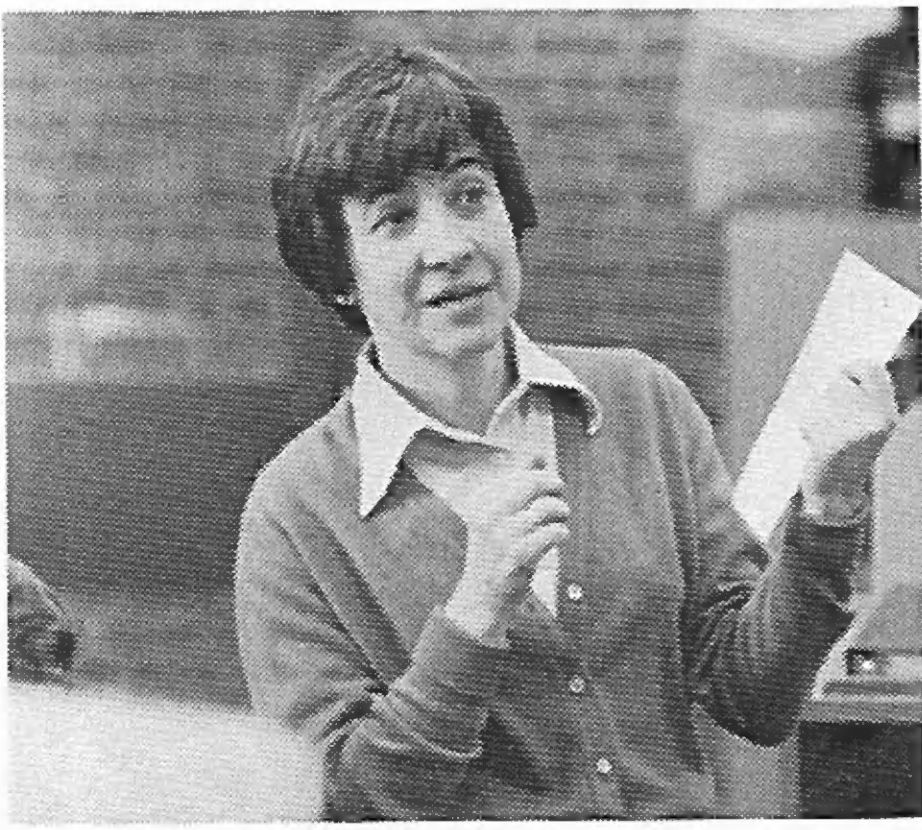

On with the dance!

Lorianna Biasiotto,
President
